

What's Happening This Week at Resurrection ~ January 15—19

- Today we had a presentation by Michael Jacques, a determined young adult with autism and an intellectual disability. He speaks about topics such as learning, inclusion, advocating, independence and the power of perseverance. For more information or to purchase his book please visit his website: www.heresmybook.com
- Please note the date change for Pace's Pasta from Thursday to Friday this week. Unfortunately, they double booked and we had to switch the day to Friday. 
- We are noticing a lot of students not dressed for the winter weather. Many students are missing snow pants, hats and warm mittens. Knit mittens get wet when there is snow, so please send your child to school with snow gloves/mittens AND an extra set. 
- On Friday we are having Matt Bucknor— motivational speaker come to our school. Information on Matt was sent home earlier this week with a media release form to sign. Please review this sheet, sign the back and return to school before the 19th.
