

What's Happening This Week at Resurrection ~ September 18—22

- Please make sure you review the items in the opening day package sent home on the first day. The blue form needs to be reviewed, make any changes on the form, sign at the bottom and return to school. Also, there are various forms posted on School Cash Online that require your attention and signature. Please be sure to review them as soon as possible.

- Tuesday is Picture Day for all students. Pictures will be taken individually to allow parents to order student photo packages online (click on link for more information). This year we are returning to class photos, however, those will not be taken on Tuesday but on our retake day which is on **October 30th**.
