

What's Happening This Week at Resurrection ~ April 1—5

- There is no school on Monday due to Easter Monday. We wish our school community a Happy Easter.

Easter Monday

- Our April Newsletter has been posted on the school's website. Please check it out!

- The month of April is Autism Awareness Month! As a school community, we hope you will show support for those touched by Autism Spectrum Disorder (ASD). **World Autism Day is Tuesday, April 2nd**, and the **month of April** is dedicated towards celebrating and discussing Autism. Autism Ontario promotes wearing a **spectrum** of colours to increase global awareness and inclusion. **On April 2nd**, please consider wearing your most colourful clothing to show support and promote acceptance of autism and neurodiversity.

- As we move into Spring weather, our field will remain wet for the next while. Please ensure your children have a change of clothes in their backpacks. Slips and falls happen quite frequently on the playground and having an extra set will limit the amount of phone calls made home for parents to drop off dry clothes or students having to wear wet clothes for the day.

MONDAY, APRIL 1, 2024 —	- Easter Monday—No School
TUESDAY, APRIL 2, 2024 – Day 3	- World Autism Day—wear all colours - Pizza lunch
