

What's Happening This Week at Resurrection ~ April 15—19

➤ As we move into spring, students are more likely to ride their bikes to school. There are many benefits to riding bicycles, however, we encourage all parents to be reminded that by law, cyclists under the age of 18 must wear an approved bicycle helmet. For children age 16 and under, a parent or guardian must make sure they wear a helmet.

➤ On April 27th, from 10 am to 2 pm, The Brant Tree Coalition invites you to help reach their goal of planting 1,000 native trees and shrubs. They will be at the City of Brantford's Brier Park to help make Brantford greener in honour of Earth Day. Please dress for the weather and bring a reusable water bottle. Don't forget your boots, shovels and gloves! Free parking is available school's parking lot as well as Brier Park Elementary School
