

What's Happening This Week at Resurrection ~ April 22—26

➤ The City of Brantford will be doing pavement resurfacing on Ravenwood Road between Dunsdon and Muirhead starting on Monday. There will be no road closure and they will be working between the hours of 9 am and 3 pm. We are hoping there is no disruption to our morning drop off and afternoon pick up, however, please be aware and cautious of the road crew.

➤ Tickets for **Bids and Bites** are available on School Cash Online. Tickets are selling quickly and we only have a limited number available to sell based on our gym occupancy, so do not delay in purchasing! Unlike hot lunch items that disappear from your list after purchasing, Bids & Bites tickets will remain open to re-purchase additional tickets up until the end date (April 25th).
