

**What's Happening This Week at Resurrection ~ April 29—May 3**

- The last day to purchase **Bids and Bites tickets** has been extended to Sunday at midnight. This is an adult only evening and dinner is included with your ticket. Our Parent Council has been working very hard on getting amazing prizes for this event so bring your toonies & loonies to bid!

- We have noticed an increase in the number of students needing more 'top up food' in their lunches. They are eating everything packed, but are still hungry. Please talk with your children to see if they need more healthy foods in their lunches to make it through the day.

- On April 27th, from 10 am to 2 pm, The Brant Tree Coalition invites you to help reach their goal of planting 1,000 native trees and shrubs. They will be at the City of Brantford's Brier Park to help make Brantford greener in honour of Earth Day. Please dress for the weather and bring a reusable water bottle. Don't forget your boots, shovels and gloves! Free parking is available school's parking lot as well as Brier Park Elementary School
