

February K News!

K News

February is upon us already! The year is moving quickly and the students are making great progress! We are consolidating our knowledge of letters and sounds and are also gaining new “off by heart” words each day! Continue your nightly reading and word practise.

Please send me a message when your child has mastered the word(s) in the front of their red home reading folder.

Report cards for both JK and SK students will be sent home on February 8th. Please return the report card envelope to be used for term two report cards. There are no formal interviews scheduled but feel free to contact me with any questions.

Math

This is what we are working on in class:

- ◇ Counting beyond 20
- ◇ Ordinal numbers 1st, 2nd...
- ◇ Printing numerals
- ◇ Simple addition and subtraction with concrete materials
- ◇ Finding the sum of two dice by counting on
- ◇ Using tallies to answer simple survey questions

Literacy

This is what we are working on in class:

- ◇ Using descriptive language when telling a personal story/telling about play
- ◇ Memorizing “off by heart words” (a, the, go, is, it...)
- ◇ Stretching small words to sound them out (c-a-t)
- ◇ Writing sentences using familiar words and phonics (Writer’s Workshop)
- ◇ Reading short class messages
- ◇ Identifying the main idea in a story

Reminders

February:
