JANUARY 2022

Happy New Year!

As you know, because of the provincial directive, students will resume learning in an online mode until January 17. This will be done via Brightspace/D2L. Teachers will connect with students (and families) on or before Wednesday, January 5, providing them with an overview of the week and a schedule for learning opportunities.

Also, please check your email for more information about online learning which was sent to all families on Tuesday, January 4th.

Student mental health and well-being continues to be a top priority, as good mental health is fundamental to a student's ability to learn and to succeed at school and in life. On every student's BrightSpace page, there is information posted about several mental health resources that are available to them. Resources to support student and family wellbeing and mental health can also be found on our district website at <http://www.bhncdsb.ca/page/mental-health-and-well-being>.

Borrowing a Board-Issued Device for Online Learning

Students requiring a borrowed device for online learning are asked to complete the [Device Request Form](#). As devices are limited, requests are for those without other available technology at home. For those students/parents who cannot access the Device Request Form link, can contact the ITS Helpdesk at helpdesk@bhncdsb.ca or 226-401-1224 for assistance.

ITS will continue to facilitate all device requests and an ITS Technician will contact families with a date, time, location, and further instructions for device pick up and will endeavour to have devices to students in time for the first day of online learning.

Kindergarten Registration Happening Now!

Starting January 3rd through February 25, 2022, we will be accepting Kindergarten Registrations online through our Board's website. The online tool will make the process more convenient for parents. Parents will simply:

1. Create an account
2. Provide Registration Details
3. Upload a few documents

You will need:

- Canadian birth certificate (or proof of Canadian citizenship, proof of permanent residence, record of landing, or other Immigration and Citizenship documentation).
- Roman Catholic Baptismal Certificate or, if your child is not baptized, the Roman Catholic Baptismal Certificate of the parent or guardian.
- Proof of home address (a rental/lease agreement, drivers license, utility bill, proof of purchase).
- Education records (if your child previously attended another school).

Tips:

- You will need to use the same email address when entering your parent/guardian information that you used when you created your account. That email address is important because it is part of the attendance and information sharing processes during the school year.
- You can upload the required documents as an 'image' or as a '.pdf' file. A quick 'smart phone' picture or 'scan' will do the trick! If you are not able to upload the required documents, complete the online registration process and provide the original paper versions to the school as soon as possible. Your child's registration is not complete until all documents are received at the school.

P. A. Day—January 17, 2022

There will be a P.A. Day for students on Monday, January 17, 2022.

Attention Parents of Grade 8 Students

Secondary School registration and Open Houses will happen in person this year, with a few twists following Covid protocols. In person, open information sessions will be hosted this year at all secondary schools in January 2022. To attend these information sessions, parents and students must register their visit online to secure a time slot. Online registration sign-up and time slots will be available through each secondary school's website. Time slots are limited to 20 participants each. To keep the number of visitors to our schools to a minimum and promote physical distancing, we kindly request that only one parent/guardian accompany their child(ren) to the information session.

Please mark January 12th down on your calendar for the St. John's College open house. Families must pre-register for the event at:

[St. John's College \(office365.com\)](http://St. John's College (office365.com))

School Cash Refunds

If you purchased any hot lunch items and/or Kettlecorn during the school closure, please know that they have been refunded. It may take a couple of days to see the refund, so please be patient.

Happy New Year

We celebrate another year ending and a new one beginning.

Let us look back and appreciate the experiences we had and learn from the mistakes we made.

And better still let us look forward to this new year with the anticipation and excitement of a child.

Embrace the New Year with a positive outlook and a determined spirit to make all your dreams come true.
